KVK training

ITANAGAR, Dec 18: Krishi Vigyan Kendra, Lohit in Namsai district under ICAR: NRC Yak organized three days training cum demonstration programme on milk production and its processing techniques at Khowji, Mahadevpur-IV and Kumari Khamti village of Lekang circle of Namsai from December 15 to 17.

Under these programme, tribal farmers were imparted scientific knowledge on dairy farming.

The training covered all the management aspects that ensure the good milk production from dairy animal, including housing, scientific feeding, time reproduction and reproductive management and health management.

Value addition in milk, a method of paneer making was also demonstrated.

The total number of farmers participated in the training was 90.
