New poultry variety 'Quail' introduced in Namsai

ITANAGAR, Sep 14: KVK Lohit, Namsai under ICAR-NRC on Yak has introduced new poultry variety 'Quail' for the first time in the district and 500 birds have been distributed to women SHG Khun Ta Nau Welfare Society and women beneficiaries of Chongkham and Kaba villages under the supervision of Programme Coordinator (in-charge) Dr. Debasis Sasmal.

Quail bird matures very early and starts laying egg for 42-45 days onwards.

The beneficiaries have also been provided feeds and medicines.
